RE: COAB recommendations on:

- COAB members' terms
- PPB's gang affiliate list

The following recommendation was approved by the Community Oversight Advisory Board at its January 26, 2016 meeting. On behalf of the COAB, these recommendations are forwarded for your consideration.

- 012617-1: The current COAB members' terms should be extended.
- 012617-2: PPB should discontinue use of gang affiliate list and provide evidence that they have done it.
- 012617-3: If some form of the COAB continues, they should follow-up on recommendation 012617-2.

Thank you for your consideration of these recommendations,

Dennis Rosenbaum, PhD
