

RECOMMENDATION 032416-2

Directive 870.20, Custody and Transportation of Subjects, should include a description of training required and offered.

FULL TEXT:

Under Handcuffing, 2.1, Change “when possible” to “In the event that handcuffs are cutting off circulation....”

Remove “might” in every space

Define “reasonable suspicion”

Clarify the distinction and definitions of when people are in custody versus non custody

Spell out and define “detoxification holds”

Define “DPSST”
