

Recommendation Submitted for Full COAB Vote

DATE submitted: 4/18/16 Expected DATE of COAB vote: 5/12/16
Note: Recommendations for full COAB consideration must be submitted two weeks prior to the full COAB meeting.

What is the recommendation? (1000 character max)

The ratings in the COCL's Semi-Annual Compliance Assessment are too generous, in particular, use of partial compliance in paragraphs:
69
70
72
76
81
82
96
109
116
119
120
130
131
152
The COCL should agree to reexamine each of these paragraphs and assign more appropriate such as "s taken....., not yet assessed or not in compliance."

Comment in support of the recommendation:

The subcommittee would like the COCL to agree to reexamine each of the cited paragraphs and not just say, "we think we are right." If that is all the COCL does, it is not listening to the community and what is the sense of the COAB reading the report and providing feedback.
